

## JavaScript Developer

Full-stack JavaScript developer who loves to connect with the world by building comprehensive technologies and user-driven products. Excels at learning quickly in fast-paced environments and enjoys finding clever implementations of languages and frameworks to solve complex problems.

---

## EXPERIENCE

### Full-stack Developer & Teacher's Aide | *The Coding House Institute, Fremont, CA*

August 2015 – Present

- Developed nearly two dozen full-stack applications to meet client and in-house needs.
- Mastered new tools rapidly to meet project demands.
- Assisted teaching students JavaScript and web-development.
- Implemented and taught best practices.
- Led workshops to cover the more difficult topics in-depth.
- Optimized efficiency within group projects.

### Server | *The Carneros Inn, Napa CA*

January 2010 – March 2015

- Provided a high level of customer service.
- Managed guest experience for the entirety of their stay.
- Organized and maintained a clean work environment to ensure productivity.
