Mobile: (415) 562-8178 • Email: austin.r.ezell@gmail.com

JavaScript Developer

Full-stack JavaScript developer who loves to connect with the world by building comprehensive technologies and user-driven products. Passionate about building feature-rich and responsive applications. Excels at learning quickly in fast-paced environments and enjoys finding clever implementations of languages and frameworks to solve complex problems.

EXPERIENCE

Full-stack Developer & Teacher's Aide | *The Coding House Institute, Fremont, CA*
August 2015 – Present

- Developed a multitude of applications using Angular.js or React.js/Flux on the frontend.
- Constructed RESTful APIs using Express.js and Node.js.
- Designed and developed responsive UI with HTML and CSS (and CSS-preprocessor Sass).
- Mastered new tools rapidly to meet project demands.
- Assisted teaching students JavaScript and web-development.
- Implemented and taught best practices.
- Led workshops to cover the more difficult topics in-depth.
- Optimized efficiency within group projects.

Server | *The Carneros Inn, Napa CA*
January 2010 –March 2015

- Provided a high level of customer service.
- Managed guest experience for the entirety of their stay.
- Organized and maintained a clean work environment to ensure productivity.
