349 Harvard Common, Fremont, CA 94539
Mobile: (707) 363-1877 • Email: austin.r.ezell@gmail.com

JavaScript Developer

Passionate developer who loves seeing code come to life as a feature-rich and responsive application. Excels in fast-paced environments and enjoys finding clever implementations of languages and frameworks to solve complex problems.

EXPERIENCE

Full-stack Web Developer & Mentor | *The Coding House Institute, Fremont, CA*
August 2015 – Present

- Developed interactive frontend features using latest frameworks and libraries as well as vanilla JS.
- Constructed RESTful APIs using Node.
- Designed and developed responsive UI with HTML and CSS.
- Mastered new tools rapidly to meet project demands deadlines.
- Scrummed daily to focus attention on challenges personally and within a group.
- Optimized efficiency within group projects.
- Constructed in-house facing software for inventory management.
- Implemented and taught best practices.
- Led workshops to cover the more difficult topics in-depth.

Server | *The Carneros Inn, Napa CA*
January 2010 –March 2015

- Provided a high level of customer service.
- Managed guest experience for the entirety of their stay.
- Organized and maintained a clean work environment to ensure productivity.
